

## ABOUT THE STATE

## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Eighty prisoners at the house of correction in Rutland are making shirts in the shirt factory there.

Clifford Roy Woodard, a deserter from the United States navy, was arrested in Rutland Dec 13 and taken to the Charles town navy yard.

Mrs. Carolyn Wright, for two years district nurse in White River Junction, has resigned because of ill health and has gone to Elton, N. Y., for rest.

Wyman, nine-year-old son of Ernest Lamphere of Lowell, had both bones of his left leg broken Dec. 13 as he was sliding down hill and ran into another boy.

While there are thousands upon thousands of cords of wood within two miles of Westfield, so much pulp wood has been cut it is almost impossible to get enough to keep warm in the village.

Lieut. Robert A. Anthony, with the American forces in France, has sent to his parents in Rutland a piece of oilskin taken from the inflated bag of the Zeppelin L-49, which was brought down Oct. 20.

From a barn on the Humphrey farm near the Waterford bridge in Littleton, N. H., someone stole 11 tons of baled hay, which had been sold to Gilman Brothers of St. Johnsbury and was to have been shipped there last week.

James G. Hodgdon dropped dead Dec. 13 as he was unlocking the door of his shoe repair shop in St. Johnsbury. He had previously suffered from heart trouble and the brisk work in the extreme cold weather probably brought on the fatal attack. He was 55 years old.

Beginning with the Christmas vacation of the schools and academy, the Fairbanks museum at St. Johnsbury will be closed indefinitely because of the shortage of coal, and it will not be reopened until the situation is materially relieved. There is talk also of closing the aquarium, but this has not been definitely decided.

A set of orchid photographs made by William Everett Batch of Lunenburg are on exhibition at the Athenaeum in St. Johnsbury during the holidays. These photographs besides being unexcelled from an artistic standpoint are scientifically correct. Prof. Oakes Ames of the Ames Botanical Laboratory, the accepted authority on orchids in eastern North America, pronounces the collection of orchid photographs the finest in existence.

## MUST CONSERVE COAL

Because There Is a Great Shortage and No Chance to Make It Up.

The Vermont fuel administrator, H. J. M. Jones, has issued the following warning about the necessity of conserving fuel:

"We are 50,000,000 tons of coal short and the production cannot be speeded up. Consequently, it is incumbent upon all coal users to do their utmost in saving sufficient coal to make up this shortage and to begin to provide for the future. Advice from Washington compels me to talk straight from the shoulder and to warn the people of the critical condition which confronts us. Vermont's coal pile is in the woods and I wish I could impress upon the people the necessity of cutting wood, not only for this year but also for next year's supply. Every town or city in the state ought to have a public meeting and devise ways and means for cutting a large supply of wood. Morrisville has seen the handwriting on the wall and has so provided in its charter that the municipality can go into the coal and wood business and it is now cutting wood. Similar results can be obtained in other towns by the citizens organizing co-operative fuel companies."

## A GERMAN FALSEHOOD.

Story That Woman Spy Was Executed in United States.

Washington, Dec. 15.—Persistent repetition of a story that a woman spy had been executed in the United States has caused the state department to send an official denial to American consuls and legations in the European neutral countries.

The story originated in Germany and its widespread use is regarded as another case of propaganda. The name of the woman was given as Anna Huitema. Ordinarily no attention would have been paid to a story so palpably false, but in this case credence appeared to have been given to it in neutral countries.

## VERMONT IS READY

## FOR RED CROSS DRIVE

The Aim of the Campaign Is to Secure 25,000 New Members in the Week of December 17.

Burlington, Dec. 15.—Charles H. Darling announced to-day that everything is ready for the big Christmas Red Cross membership campaign which begins Monday morning in all sections of Vermont.

The aim is to secure 25,000 new members and more if possible. Each county has been assigned its quota. Addison county is expected to furnish 1,562 new members; Bennington, 1,504; Caledonia, 1,469; Chittenden, 3,861; Essex, 431; Franklin, 2,430; Lamoille, 673; Orange, 987; Orleans, 2,508; Rutland, 2,699; Washington, 3,988; Windham, 1,092; Windsor, 1,364.

Last May, in one week, Vermont secured in excess of 30,000 members for the Red Cross. In June in a money raising campaign Vermont went better than \$200,000, the sum allotted to her.

The week before Christmas, beginning Monday, she is to secure 25,000 new members for the Red Cross.

It is predicted that this will be accomplished. Every member of every Vermont household is expected to join—to join the fight of the Red Cross.

Judge Darling has named for his lieutenants in the respective counties of the state the following well known residents: Addison county, Robert M. Mills; Addison house, Middlebury; Bennington county, Fred H. Martin; Bennington; Caledonia, Gilbert M. Campbell; Lyndonville; Chittenden, John M. Carroll; Burlington; Essex, Kyle T. Brown; Lunenburg; Franklin, J. Gregory Smith; St. Albans; Grand Isle, Warren F. Parks; Grand Isle; Lamoille, Rev. Frank Hanson; Johnson; Orange, March M. Wilson; Randolph, John M. Wilson.

## ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Barre people endorse Doan's Kidney Pills. You can rely on their statements.

Mrs. J. F. Robbins, 38 Summer street, Barre, says: "My experience with Doan's Kidney Pills leads me to give them a high recommendation. I used them for a severe case of backache, and when I was so run down that it was hard for me to walk. Mornings, my limbs were very lame. One box of Doan's Kidney Pills, which were procured at Cummings & Lewis' Drug Store, entirely rid me of the complaint."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the one that Mrs. Robbins had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
